

Who is God?

We can answer this question through two ideas of the bible.

1. By his creation
2. Through scripture

Knowing God through His creation:

“Holy, Holy, Holy is the Lord of hosts” - Isaiah 6:3

God is the Father, God is the Son, God is the Holy Spirit as Isaiah mentioned in his prophecy. Our church fathers have given writings and teachings to the church which is taught and still teaching by our Priests. Among our church fathers one of the great fathers is Saint John Chrysostom, who has said “The creation leads us by the hand to the knowledge”.

To answer the question who God is, we need to see what Basil the great have said about to which knowledge the creations would lead us to. He said “The world is a place that teaches human souls and helps them know God. Through the things we can see and touch, it guides our minds to understand the invisible.”

Example

Therefore, from the above writing we now can answer who God is, He is a creator.

“For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead.” Romans 1:20

Now let's see the creation through which we can go to know him. What did God creation can lead us to “Who is God?”:

The first book that can be mentioned about His creation is the book of Genesis, written by our father Moses, who made a great deal for Israelites by dividing the sea into two. In the book of Genesis it is written what He created. Now lets see what the creations are:

1. God created Heavens and Earth
2. God made firmament and divided the water
3. God made the dry land to grow grass and herbs
4. God made light in the firmament
5. God made creatures in the across the firmament
6. God created Man and Woman

What are the different names of God?

“Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit.” Matthew 28:19

This verse gives a brief understanding of His name, as it is taught by our Lord Jesus Christ. Saint Basil the Great have said, “We know our God from His energies, but we do not claim that we can draw near to His essence.”. From this we can see some of His names from the bible:
